ABOUT US

Located in the heart of the 5th Settlement's Industrial Area, New Cairo. MNS is a premier furniture manufacturer. We specialize in designing, crafting, and delivering high-quality furniture, catering primarily to Interior Design and Finishing Companies.

Materials

We pride ourselves on using only the finest materials, carefully selected to meet our clients' specific requirements. This commitment guarantees exceptional results and complete client satisfaction.

Manufacturing Process

Our team of skilled artisans seamlessly blends traditional craftsmanship with cutting-edge innovation to produce furniture that is both aesthetically stunning and exceptionally durable.

Every piece is meticulously crafted with attention to detail, ensuring the highest standards in joints, finishes, and materials. This unwavering commitment to quality ensures our clients receive furniture that combines functionality with timeless elegance.

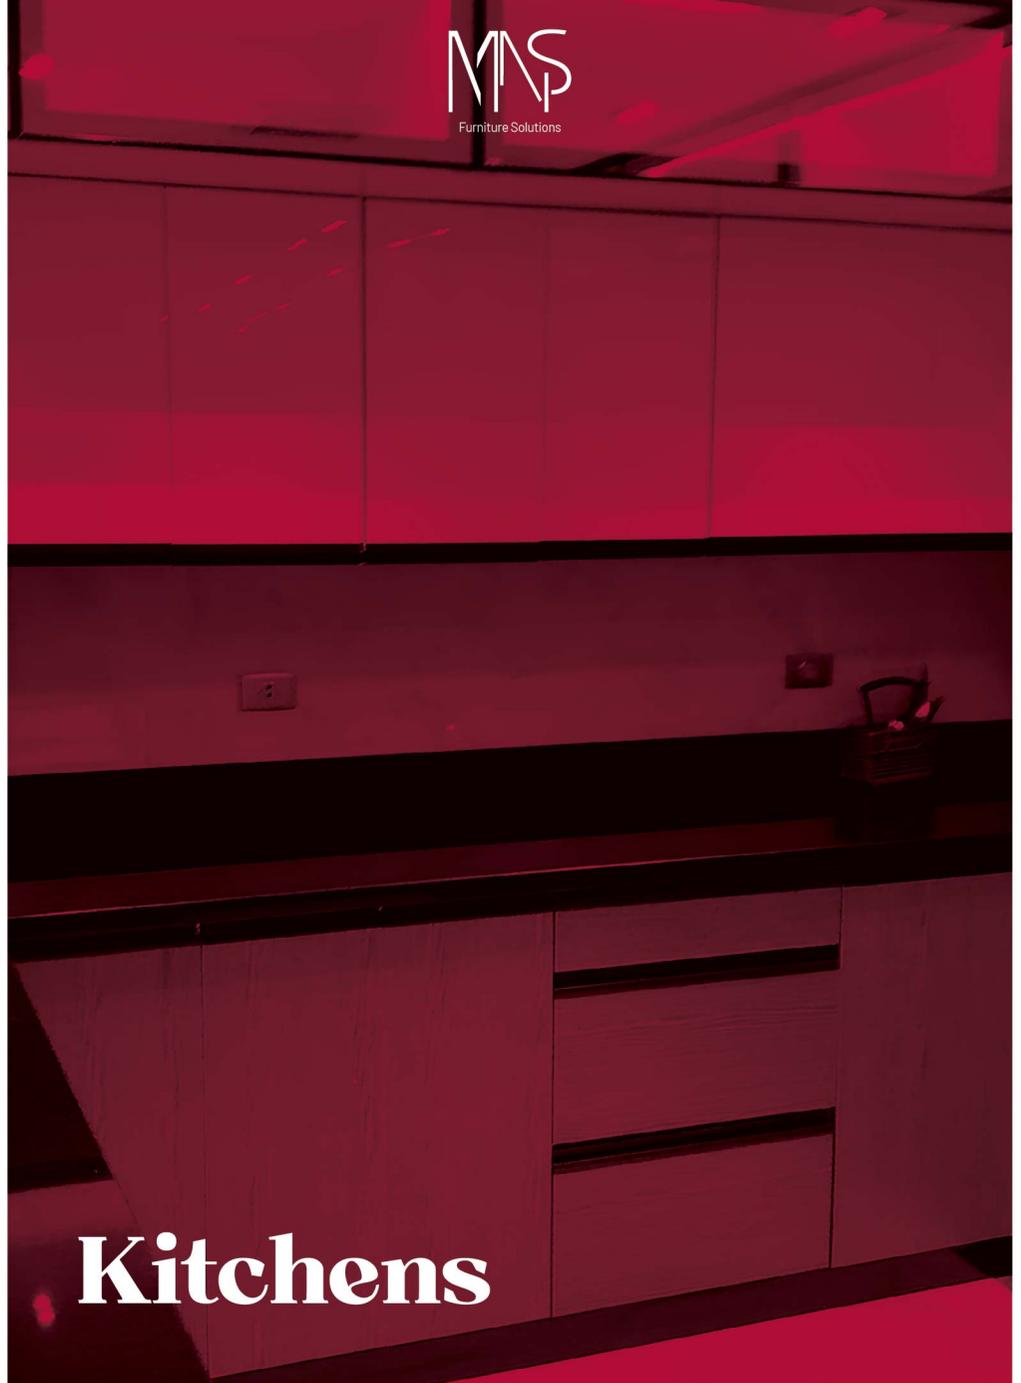

OUR SPECIALIZATIONS

At MNS, we excel in crafting custom furniture for kitchens, Dressing Rooms, Living Rooms, Bed Rooms and a wide range of other bespoke pieces tailored to meet diverse client needs.

MNS DESIGN & ARCHITECTS

 5th Settlement, Industrial Area, New Cairo.

A worker in a high-visibility vest is working in a factory setting. The vest has 'Furniture Solutions' written on it. A large, stylized white 'MNS' logo is overlaid on the image. The background shows industrial equipment and a worker's hands working on a piece of furniture.
